In reviewing the Notice of Allowability mailed March 17, 2005 it was noted that the Information Disclosure Statement and PTO 1449 mailed June 24, 2003 were not acknowledged by the Examiner.

We are resubmitting the Information Disclosure Statement and PTO 1449. Also it has been noted that a typographical error appears on the PTO 1449. The German patent was incorrectly cited as DE 195 39 963 and it should have been cited as - -DE 195 30 063- -. A copy of the correct patent was originally sent to the Patent Office.

It is requested that the Examiner review the Information Disclosure Statement and issue an initialed copy of the PTO 1449.
